THE BUILDING AND ITS SURROUNDINGS

Here it is... at the top of this first cream-colored building, just 5 blocks from the beach visible in the background, located on the 10th floor with 4 elevator services and easy parking, in a very safe area with surveillance cameras, you'll find this well-maintained penthouse.

The area is known as Cala de Villajoyosa, and although it legally belongs to the municipality of Villajoyosa, the property is located in the territory of Benidorm, in the area called La Cala, fully connected to Benidorm, 10 minutes from the center, with constant bus transportation in front of the building. An exclusive and quiet residential area with a variety of restaurants and bars, as well as a pleasant beach surrounded by trails and with stunning views over the sea.

I want to share with you that I acquired this property as the owner when the building was completed. It was love at first sight between the house and me. I lived here for many years, but one day I decided to join Airbnb when I could buy another property.

This house was my dream, and today I want to share that feeling with you by providing everything you need to spend a few comfortable, worry-free, and above all, relaxing days in a place prepared for it.

ABOUT YOUR HOST

Hello and very welcome!!

My name is Ricardo, although my people know me as Richard, so you can call me whatever you prefer, and I welcome you to my property.

I work for a well-known airline, and it may be that when you arrive, I am flying and not here to welcome you, but surely my sister Martha will be able to do it excellently.

I am a travel lover and enjoy sharing experiences. I would like to know where you come from and if, due to your culture, religion, or background, I should adapt the house or if I can help to make your experience in my place better suited to your needs. Just consult me before you arrive, and we will see if it is possible to adapt the house to your preferences.

You already have my phone number and email in case you have any questions. By the way, I'll leave my social media in case you want to know more about me.

WHAT MY GUEST SAY:

"ESPECTACULAR"

Simply SPECTACULAR, the apartment is incredible, brutal views, the conditions of the apartment are perfect. The welcome gift with the small bottle of cava or in my case cider that I asked for was quite good. Ricardo's treatment of us from beginning to end has been impeccable, without a doubt he would repeat it again.

Natanael

"A GOOD EXPERIENCE!"

A host of 10 and stay with all the comforts. Spacious, clean and beautiful accommodation. It has been ideal for my partner and me. The views are very beautiful and the jacuzzi is spectacular. Without a doubt we will repeat.
